## Who are First Data?

First Data serves around six million business locations and 4,000 financial institutions in over 100 countries around the world. We're dedicated to helping all businesses, from start-ups to the world's largest corporations, process more than 2,800 transactions per second and \$2.2 trillion per year.

## Why Choose First Data?

First Data understands that your customers want convenient experiences that let them pay with ease. That's why we offer hospitality businesses everything they need to serve their customers better, grow sales and simplify the way they run their business.

## What Payment Terminals do First Data Offer?

First Data can offer basic, static terminals, or the latest in mobile touchscreen payment technology that can help you run your business better. First Data have a solution to fit your business needs. And BII Members can benefit from £1 a month on payment solutions for the first three months.

## Award Winning Technology

First Data were nominated for several awards at the 2017 Card and Payments Awards and took the top honours for the Best Initiative in Mobile Payments for our Clover Mobile terminal. Clover Mobile can be used simply as a smart, mobile PDQ or a full mobile EPOS system to help manage your business on the move.

## Helping Businesses Grow...

We're more than just a Merchant Services provider - by processing with First Data you can also access fast, flexible finance with a 'Pay as You Trade' Cash Advances from Merchant Money – BII's Finance Partner.
